Forecast for Tuesday 26 Jul 2022

Weather: A bright start with sunny spells but becoming mostly cloudy with scattered showers. These will be mostly light and short-lived in nature with some hills staying dry. A few bright or sunny intervals, these developing more widely through the evening.

Chance of cloud-free hill tops above 800m: 80%.

Low Cloud and visibility: Mainly very good visibility. Patchy cloud and fog at first above 800m but soon lifting and breaking with cloud then staying above the tops.
